Re: *USA v. Louis Manna*
Case No. 3:88-cr-239

Dear Judge Sheridan:

The undersigned represents 92-year-old-movant, Louis Manna in the above-referenced matter. Just last week, my office filed an 8-page motion for reduction of sentence, pursuant to 18 U.S.C. §3582(c)(1)(a). Said motion looked solely to Manna's consistent debilitating medical conditions. Since the last filing, Manna conditions have worsened. It has come to the undersigned attention that his health has taken yet another turn, and now Manna is requiring a wheelchair and assistance to take more than a few steps.

Last year, the undersigned submitted a 33-page memorandum outlining Manna's medical history. Now we solely are seeking compassion from this court, based on well documented and delineated medical diagnosis. Like most motions, there are exhibits annexed thereto. Here Manna has streamlined the voluminous medical records (*ECF 32-5*), submitted last year, and annexed an additional 17 pages for your honors review (*ECF -32-5*).

In light of Manna's rapid and fast declining health, the undersigned respectfully requests that this motion be heard on an emergency basis.

Sincerely,

/s/

Jeremy M. Iandolo, Esq.
